Benefits

1. Industrial-size heavy duty pallet for high-performance environments
2. Developed for maximum bending strength for use in high bay racks
3. Monoblock design with dimensional stability for optimum use on automatic conveyors
4. Compatible with standard boxes
5. Flow-through block design ensures effective cleaning and quick drying
6. Reusable pallet made of recycled plastic and 100% recyclable

Options

1. Without safety rim
2. RFID transponders and other IoT options
3. Specific colors on request
4. Individual marking and labelling
